RESULTADOS EN PORCENTAJES DE LOGRO PRUEBAS DIA

Estimados estudiantes y apoderados:
Junto con saludar, compartimos los resultados de las Evaluaciones Diagnóstico Integral de Aprendizaje realizadas en las áreas de Competencia Lectora y Matemática. Las evaluaciones de Competencia Lectora y Matemática fueron aplicadas a estudiantes de 7° básico a 2° medio.

En el archivo adjunto podrán revisar los resultados de las evaluaciones inicial e intermedia, así como la variación obtenida entre ambas aplicaciones. Para resguardar la confidencialidad de la información, la nómina se encuentra ordenada por RUT, de menor a mayor y sin dígito verificador.

Los invitamos a revisar estos resultados en familia, analizando la variación observada entre la evaluación inicial y la evaluación intermedia, de manera que puedan identificar los avances alcanzados y aquellos aprendizajes que aún requieren fortalecerse. Esta instancia también representa una oportunidad para conversar sobre la importancia de enfrentar estas evaluaciones con responsabilidad, compromiso y una actitud positiva, considerando que durante los próximos meses se realizará la evaluación de cierre, la que permitirá evidenciar el progreso alcanzado durante el año.

Asimismo, les informamos que los estudiantes ya recibieron la retroalimentación de sus resultados en los espacios pedagógicos correspondientes. De igual forma, la información obtenida es analizada por los equipos docentes y la Unidad Técnico-Pedagógica para orientar la toma de decisiones pedagógicas e implementar acciones que favorezcan el aprendizaje y la mejora continua.

Agradecemos el compromiso de las familias y de nuestros estudiantes en este proceso, convencidos de que el trabajo conjunto es fundamental para seguir fortaleciendo los aprendizajes.
